GETTING YOU AWAY ON TIME

On-time performance is important to you, and therefore important to us. To ensure your flight leaves on time we ask that you arrive at the check in desk **at least** 30 minutes before your scheduled departure, for all your flights, so you may complete all the required check in and security procedures. Arrival after this time will not guarantee you a boarding pass and may result in you forfeiting the fare paid. This is particularly important at peak periods. Boarding of the aircraft commences 15 minutes prior to and closes 5 minutes before take off. Please be aware departure of your aircraft will not be held if you arrive after this time.

VIRGIN BLUE DOMESTIC TERMS AND CONDITIONS OF CARRIAGE

1. These terms and conditions (where not inconsistent with the context):

"baggage" includes registered baggage and baggage, personal effects or other articles (not being registered baggage) which is or was in the possession of the Guest or in the possession of another person (being a person accompanying the Guest or the Carrier) on behalf of the Guest, while the Guest is or was on board an aircraft, or embarking or disembarking an aircraft pursuant to the provision of transport and services under the contract for carriage the subject of the Booking;

"Booking" means the booking entry made with and accepted by the Carrier in relation to the travel sought by or on behalf of the Guest, the boarding pass, the baggage check and/or any other document or message of the Carrier issued by or on behalf of the Carrier as part of or relating to the contract for carriage concerning such travel;

"Carrier" includes the carrier which accepts the Booking and all carriers that provide transport and services to the Guest and any of the Carrier's agents, servants, representatives or contractors;

"CACL Act" means the Civil Aviation (Carriers Liability) Act 1959 (Cth);

"Guest" means the person specified as receiving transport and other services in the Booking and any infant or baggage carried with that person;

"registered baggage" means baggage, personal effects or other articles registered with the Carrier as baggage intended to be carried under the contract for carriage the subject of the Booking;

"Trade Practices Act" means the Trade Practices Act 1974 (Cth).

2. The Booking and the contract for carriage between the Carrier and the Guest is subject to these terms and conditions.

3. Carriage pursuant to the Booking and on these terms and conditions is provided subject to the provisions of the Trade Practices Act, the CACL Act and applicable State and Territory legislation.

4. The Carrier is not a common carrier and may refuse to carry any person or baggage, whether or not a Booking has been accepted or processed by the Carrier, without any obligation to provide reasons for such refusal. Guests must check in to board the flight at the Carrier's check-in facility serving the place of departure at least 30 minutes prior to the scheduled departure time. The fare paid may be forfeited and the Carrier may cancel or re-allocate the Booking if the Guest fails to check in at least 30 minutes prior to the scheduled departure time.

5. The Booking and the benefit of the contract for carriage are not transferable by the Guest. The Carrier reserves the right to refuse a person carriage unless satisfactory proof of identity (eg. current drivers licence) and, in the case of minors, satisfactory proof of age, is produced by the Guest when checking in to board a flight.

6. The Booking is valid only for provision of the transport and services in respect of which it is accepted by the Carrier. Subject to clause 21 of these terms and conditions and to the extent permitted by law, no payment accepted by the Carrier in respect of a Booking is refundable under any circumstances to the Guest. Subject to restrictions on various fare structures, Guests may change Booking details provided these arrangements are made a reasonable time prior to the travel the subject of the Booking. Under some restricted fare structures (of which a Guest will be notified at the time of booking), if the Guest fails to travel on the scheduled services specified in the Booking, the Booking will lapse, become valueless and not be substitutable for other services.

7. Subject to these terms and conditions, Guests may incur a Booking alteration charge where changes are requested by the Guest in relation to itinerary, fare type or date(s) of travel or other Booking details. Details of this charge and applicability are available by contacting Virgin Blue.

8. The Carrier will make all reasonable endeavours to provide to the Guest the mode of transport or services the subject of the Booking but, in certain circumstances beyond its control, the Carrier may have to, without notice, substitute other means of transport or service. These terms and conditions of carriage apply to any such substituted transport or services.

9. The Guest acknowledges that the Carrier may need to cancel or delay and reschedule flights or services due to industrial action, landing restrictions, airport loading restrictions, unsuitable weather conditions, technical problems or any event beyond the Carrier's reasonable control, and scheduled flight times or destinations are not guaranteed. In no circumstances will the Carrier be liable for any consequential losses which a Guest may incur as a result of any such delayed or rescheduled flight.

10. If the Guest is landed at a destination other than that the subject of the Booking, the Carrier will make all reasonable endeavours to convey the Guest to the specified destination, but undertakes no obligation to the Guest as to time or means of transport.

11. The Carrier may offer two or more Virgin Blue flight sectors for sale for a through fare as a scheduled connection ("**Connecting Flight**"). Subject to clause 9, in the event that a Connecting Flight fails to connect, the Carrier will use best endeavours to enable the Guest to travel on the next available Virgin Blue flight to the destination at which the Guest was due to arrive on the Connecting Flight. However, the Carrier does not provide any guarantee whatsoever that any two or more single sector Virgin Blue flights (which are not offered for sale as Connecting Flights) will connect (even though a Guest may Book such single sector flights with the intention of those flights connecting). Subject to the provisions of these terms and conditions of carriage, the CACL Act 1959, the Trade Practices Act and applicable State and Territory legislation, the Carrier is not liable in any way for or in connection with any cost, expense or consequential loss which a Guest may incur as a result of any such single sector Booked flights failing to connect.

Further, other than for Connecting Flights, in no circumstances does the Carrier offer, provide or guarantee connections between the flights it offers and the flights of another carrier or any other form of transport, and subject to the provisions of these terms and conditions of carriage, the CACL Act 1959, the Trade Practices Act and applicable State and Territory legislation, the Carrier is not liable in any way for or in connection with any cost, expense or consequential loss which a Guest may incur as a result of any such flight failing to connect with the flight of another carrier or another form of transport.

12. Guests must comply with all laws, regulations, orders and notifications in force relating to air transport, including the Civil Aviation Act 1988 (Cth), the Air Navigation Act 1920 (Cth) and any Regulations made under those Acts, and all conditions and instructions of the Carrier. 15. Subject to the provisions of these terms and conditions of carriage, the CACL Act, the Trade Practices Act and applicable State and Territory legislation, the Carrier is not liable for or in connection with loss or damage sustained to baggage; injury or death of any person; direct, consequential or indirect loss or damage arising out of or in any way connected to the provision of transport and other services to the Guest (whether arising from negligence or omission or any other
